

CURRICULUM VITAE

PERSONAL INFORMATION

Name: **Marc D. de Smet**

CURRENT POSITION

Chief Physician Vitreo-retinal Surgery at the Department of Ophthalmology ZNA Middelheim, Antwerp, Belgium.

Professor of Ophthalmology, Department of Ophthalmology, Academic Medical Center, University of Amsterdam.

Director of the Vitreo-retinal and Uveitis Division, Department of Ophthalmology ZNA Middelheim, Antwerp, Belgium.

Visiting professor, Department of Ophthalmology, University of Gent, Belgium

QUALIFICATIONS

Prof. M.D. de Smet is a **well respected authority in vitreo-retinal surgery**. Of Canadian origin where he completed his medical training in Mc Gill and British Columbia, he did in 1992 a Vitreo-retinal fellowship in the Wilmer Eye Institute of Johns Hopkins University in Baltimore Maryland (U.S).

- Ph.D Thesis in Immunology, University of Amsterdam 2000
- Diplomate of the American Board of Ophthalmology 1989
- Fellow of the Royal College of Ophthalmologists (England) 1989
- Fellow of the Royal College of Surgeons of Canada 1988
- Licenciate of the Royal College of Surgeons of Canada 1987
- Licenciate of the Medical Council of Canada 1984
- Diplomate of the National Board of Medical Examiners 1984
- MD, CM McGill University 1983
- B.Sc.(hon) University of Ottawa 1979

PROFESSIONAL EXPERIENCE

For 10 years Prof. M.D. de Smet directed the department of Ophthalmology in Amsterdam (Netherlands) and has trained numerous residents and fellows in Ophthalmology and Vitreo-retinal surgery.

INTERVENTIONS ABROAD

The Netherlands, Switzerland, Canada, USA, Germany, Spain

MEMBERSHIPS IN PROFESSIONAL SOCIETIES/ RESEARCH

Prof. M.D. de Smet is **actively involved in groundbreaking research** aimed at pushing the boundaries of VR surgery or improving its results, by use of minimally invasive surgical approaches.

He is a **member of several illustrious ophthalmic societies and member of the editorial boards of several eye journals**

Current Society Memberships:

- Belgian Ophthalmology Society
- Canadian Medical Association
- Quebec Medical Association
- Royal College of Surgeons (Canada)
- American Association for the Advancement of Science
- American Academy of Ophthalmology (fellow)
- Association for Research in Vision and Ophthalmology
- Dutch Ophthalmological Society
- EURETINA
- European Association of University Professors of Ophthalmology (EUPO)
- Royal College of Ophthalmology (U.K.)

Elected Memberships:

- American Uveitis Society
- International Ocular Inflammation Society
- International Uveitis Study Group
- Vitreous Society
- Société ophtalmologie d'infectio-immunologie francophone
- New York Academy of Science

State, Provincial and National Licenses:

- SRC (Dutch Specialty Board)
- Belgian Specialty Board
- California Board of Medical Quality Assurance
- Maryland Board of Physician Quality Assurance
- British Columbia College of Physicians and Surgeons Corporation professionnelle des médecins du Québec

PUBLICATIONS

He has well over 100 scientific papers, has spoken, moderated or organized countless congresses and meetings, as well as operated in a number of countries.
